### Young Adults...

#### ...of St. Joseph's Parish

Since summer 2005 the young adults of St. Joseph's parish have been meeting for faith-sharing once a week. Our members are either married or single, are older than 21 but younger than 50, have kids or no kids, have lived in California for years or just moved here. We are a nice mix of people who enjoy having serious talks or simply going out to have a drink at Molly MaGee's. We also occasionally organize special events throughout the year.

#### ... of Deanery Two ("The Circle")

Our Deanery consists of the parishes of Los Altos, Stanford, Palo Alto, and Mountain View. Almost every parish has a young adult group that organizes charity, spiritual, and social events. In addition, the young adults of our deanery form a group called the Young Adult Circle. Every last Tuesday of the month, the Circle gets together to celebrate Mass. The Circle also puts on several annual events. Much more information can be found on the Circle website: [www.youngadultcircle.org](http://www.youngadultcircle.org)

#### ... of the Diocese of San Jose

The diocese of San Jose consists of all the deaneries (and all the parishes) in Santa Clara County. The young adults of the Diocese of San Jose also get together for certain events. For instance, the diocese runs Theology on Tap during the fall and during Lent, and it runs a softball league during the summer. We are very happy and honored that Bishop Patrick J. McGrath shows a special interest in Young Adult Ministry, particularly when he presided at our monthly Young Adult Mass. More information on the diocese can be found at their website: [www.dsj.org](http://www.dsj.org)
