

Fixed Gear

Inspired by the energy and audacity of the fixed gear courier, Lakefront Brewery ran smack into this arresting creation. Fixed Gear is a big, bold American red ale. It pours a glaring crimson tone with a rocky white head and a brilliant floral-citrus aroma, thanks to an aggressive Centennial, Citra, and Chinook dry hopping. Its immodest, malty spine and intrepid caramel flavors blow in via gratuitous amounts of 2-row pale and dark caramel malts. A balanced citrus bite comes from Chinook and Cascade hops followed shortly by mild, fruity esters from the ale yeast. Weighing in at a mean 6.5% ABV and 34 IBU's, this one's got an attitude.

Alcohol by Volume - 6.5%

Available in the following formats:
Cases - 24/12oz bottles (355 ml)
Half-barrels (15.5 gallons - WI only)
30L barrels (7.92 gallons - WI only)
