Subject: Media Release - Solicitation for donations by phone

The Streetsboro Police Department has received information from some concerned citizens who received phone calls from individuals identifying themselves as being affiliated with the Streetsboro Police Department. These people were requesting donations to the Shop-with-a Cop program we run each Christmas. We want all our residents to know that our department or anyone affiliated with our department **DOES NOT** solicit donations over the phone. If anyone received such a call, we would like for them to contact our department at (330) 626-4976 and provide us with Caller ID information if it is available. These types of fraudulent phone calls become more prevalent during the holiday season. Regardless of who the caller claims to be affiliated with, citizens should verify the information independently before making any donations.
