

Yamba District Chamber of Commerce Inc

General Meeting

New Website Launch

Held @ YamCom @ 5.30 pm on 7th November, 2011.

There was no general meeting of the Chamber in November.

Instead we had the new website launch which was well attended.

Attendees got to have hands on as YamCom provided their computers so members could check their websites and have changes made. Thank you YamCom for your support on this evening.

The Chamber supplied a mix of nibbles (made by Caperberry Café) and wine (purchased from Yamba Liquor Supplies).

The Chamber would like all members to check their information on the website and contact them if changes are needed. Contact: info@yambansw.com.au

Meeting closed at 7.30 pm – Minutes by Bev Mansfield
