

QiAffiliate Agreements

Valid from January 1, 2009

The following document "QiAffiliate Agreements" regulates the business conditions between QiBounding®, the importer of rebounding equipment of all kinds, and the members of the QiAffiliate Program(called "Affiliates"), and applies to all orders generated through the QiAffiliate Program. No agreements other than those contained herein shall be binding unless made in writing and signed by QiBounding®. All agreements contained in any prior oral or written communication, which are different from or in addition to the agreements contained herein are hereby rejected and shall not be binding.

Although QiBounding is selling other products, the QiAffiliate program is unique for the selling and distributing of the Bellicon 39 and the Bellicon 44 bungee band Rebounders. No commission is granted for any other sales.

Sales Terms and Conditions

The Terms and Conditions that apply to all End-Customers can be find on the QiBounding website at http://www.qibounding.com/terms_and_conditions.html

Pricing Policy

In order to assure fair and equal conditions for all Affiliates, the Affiliate must apply the retail prices which are published at www.QiBounding.com. Violation of this policy is grounds for immediate termination of the QiAffiliate membership. No "special offers" or price reductions are allowed, unless having received written permission by QiBounding.

This policy applies to all direct mail, Internet, print advertising, or any similar type of sales. This policy applies to all sales within the United States, US possessions, and Canada and from the United States and Canada into any country which does not have an established pricing policy. Sales made within any country other than the United States or Canada will be governed by the policies of the Distributor for that country. This policy is extended to any person or organization that is selling on the dealer's behalf.

Deceptive advertising practices are strongly discouraged. Obvious examples of this would be making false or misleading statement and/or unfounded claims.

Misleading phrases or wording of offers may be restricted by QiBounding at any time if they violate the spirit of this policy.

Shipping Policies

QiBounding ships orders within with FedEx as FedEx offers the best prices. The current shipping prices for shipping to the 48 contiguous States are: \$95 for the Bellicon 44 \$60 for the Bellicon 39.

For shipping to Alaska, Hawaii, Canada or to other countries, we have to calculate the shipping costs manually. For this reason, customers of all of the above states/countries need to fill out a pdf file and send it to us. The pdf file is on our website and your customers will automatically be guided to the file relative to their state or country.

If one of your clients lives close to our **Center of Healthy Movement (El Cerrito, 6797 Glen Mawr Ave)**, he can pick up the Rebounder. In this case no shipping costs apply. Prior appointment is needed.

QiBounding ships out as quickly as possible, but can under no circumstances made responsible for late deliveries.

Taxes

If the Affiliate generates a commission higher than \$600 during the calendar year, QiBounding will send out a 1099 form at the begin of the following year.

Our Strength is a Quality Product plus Excellent Customer Service

What distinguishes Bellicon Rebounders from other brands is not only the top quality material and the German craftsmanship of the Bellicon Rebounders, it is also our very special customer service.
