

# THE NATIONAL PETITION TO STOP THE FEDERAL NO-LIMITS-ON-ABORTION BILL (the so-called “Freedom of Choice Act,” or FOCA)

*National Right to Life, the largest pro-life organization in America, and its affiliated state right-to-life groups are sponsoring a National Petition Campaign to Stop the FOCA (the federal bill that would legalize partial-birth abortion and nullify virtually all other limits on abortion). The results of the petition will be sent to Congress.*

**WE NEED YOUR HELP !!!  
WE MUST ACT IMMEDIATELY !!!**

1. Please collect signatures on the petition from your friends, family and neighbors. Arrange to have petitions signed at churches, fairs, shopping centers, and any other places where pro-life people may gather. For example, petitions can be circulated at church Bible study and adult discussion meetings.
2. Feel free to photocopy the petition. Or, the petition form can be downloaded from the NRLC website at <http://www.nrlc.org/>. Give copies to anyone who can help gather signatures. Collect signatures on only ONE SIDE of each petition form.
3. Advertise the petition by announcements at appropriate meetings, or through inserting a notice in your church bulletin. Here is a sample announcement:  
  
*PETITION TO STOP THE FEDERAL NO-LIMITS-ON-ABORTION-BILL*  
*You are invited to sign a petition to Congress to stop the FOCA, a bill under consideration in Congress that would make partial-birth abortion legal again, require tax funding of elective abortion, and nullify nearly all limits on abortion. The petition will be located at (place) on (day, date) at (times).*
4. Choose a convenient method of gathering signatures. A long table or several card tables can be used, or a number of clipboards with petitions and pens attached. Have an ample supply of PENS, NOT PENCILS.
5. Please mail the signed petitions AS SOON AS POSSIBLE to National Right to Life, STOP FOCA CAMPAIGN, 512-10th Street NW, Washington, D.C. 20004. Send the sheets in as they are completed -- we'll be happy to receive additional signatures later.
6. For more information on the “Freedom of Choice Act,” visit the National Right to Life website at [www.nrlc.org](http://www.nrlc.org).

*Thank you for all your efforts on  
behalf of unborn children!*
