Subject: Media Release: Identifying Breaking and Entering Suspects

On November 22, 2011, an employee of Executive Gold Buyers at 9291 SR14, St B in Streetsboro reported to the Streetsboro Police that their business had been broken into overnight. Taken from the business was a safe containing cash, gold, a .38 Smith and Wesson revolver and other miscellaneous items. Video footage shows the two suspects parked behind the business in a silver sedan at about 314am and removed an air conditioner unit on the back of the building to get inside. Once inside, the two suspects broke a door to get into the office and rolled out the safe which was on casters. They were inside the business for about 7 minutes.

Attached are several photos captured from the surveillance video inside the building. We are asking for help from the public in identifying these two individuals in the photos. The date and time stamps on the photos are not correct. Anyone with information can contact the Streetsboro Police Department at (330) 626-4976 or send us a message on Facebook or Twitter.
