TZ Standard Laminated Tapes

Our Standard Laminated tapes offer the widest variety of colors, styles and sizes for your everyday home, home-office and general business office needs. These laminated labels feature our standard adhesive, which is designed for flat surfaces like office paper, file folders, and binders, and also most flat, non-textured metal, plastic and glass surfaces. They resist water, grease or grime – the laminated surface wipes clean – and fading and abrasion. Can also be used in hot and cold environments as well as outdoors.

There are a variety of colors, styles and sizes – from 1/4" to 1 1/2" to choose from, depending on your P-touch electronic labeler.
