5th October 2011

Dear Parents,

Harvest Festival 'Bring and Buy Sale'

As you may already know Year Two will be presenting a short Harvest assembly tomorrow morning, unfortunately due to restricted space we are regrettably unable to invite parents to this event.

However, Year Six will be holding the sale outside (weather permitting) from 2.30pm tomorrow. Thank you to everyone who has donated to our sale so far - if you would like to send in cakes, crafts, produce, bric-a-brac, etc tomorrow then it will gratefully received. We have also received a very kind donation of six 'Moshi Monster' presentation tins (these are very popular we understand with children!) Year Six have devised a game for all the children who then, for 50p a go, will have the chance of winning one of these.

In connection with the Parents' Association, we are holding a number of fundraising events as we have some exciting developments for the future (which at the moment are still in the earliest planning stages). Hopefully, if we are successful with our fundraising we will be able to attract additional money which will enable our plans to become a reality. We hope you will support us as every penny really does count!

Car Boot Sale

Just a reminder that our very first car boot sale is taking place this Sunday, starting at 9.00am for setting up and 10.00am buying! The weather for this weekend does look promising so we look forward to seeing you either buying or selling or just joining us for a breakfast bacon roll!

Kind regards

Suzanne Kelly
