

# THE SWIM CENTRE

... has the largest range of children's swimwear in Auckland

"It's easier to learn to swim in well designed swimwear" ... Anne Scanlon - Principal Teacher

... we guarantee our swimwear prices are NO more and of ten LESS than others

|                     |                             |                       |                       |                            |                        |
