Finishing Our Furlough & Returning to Uganda

Our seven months of furlough have gone by very quickly and we are excited to be returning home to Uganda in a few weeks. We are so grateful to all of the churches that allowed us to come and update them on our church planting ministry in northern Uganda. We have traveled to over 25 states and covered over 30,000 miles in these last seven months. The Lord granted our family safety and many fun memories during this furlough time. We want to say "thank you" to all our supporting churches who hosted us and allowed us to report to them during these months.

Christmas and New Year's Memories

It is always a joy to remember the many different experiences of Christmases gone by. As missionaries, we have the privilege to share the Gospel with folks who are often very hungry to receive it. I have often reflected back to wonderful times spent with church folks or my family during the Christmas season. However, this year I was often reminded of the importance of giving so others can hear the Gospel. My fondest memories are those folks who have trusted Christ around this season over the last few years. A couple of years ago I wrote to you about a 90-year-old woman named Mrs. Kevina Ikiror. Her physical birthday was actually on Christmas day and yet it would take her over 90 years to experience her first spiritual birthday. She often told me how grateful she was that I shared the Gospel with her. Several months ago Mrs. Kevina went home to be with the Lord, and she is now beginning this new year of 2012 in Heaven. Surely, Mrs. Kevina is spiritual "fruit" that abounds to your account! Our family is so grateful for your sacrificial giving that allows us to be in the harvest field of Northern Uganda. May the Lord bless you for your faithfulness to Him throughout this New Year.

S.O.A.P.-Soroti Orphanage Assistance Project

Please be in prayer for our orphans and school students as they begin a new school year. Pray that God will use these young people to be the future church planters and church workers that northern Uganda so desperately needs. We are looking forward to seeing how God will work in their lives this new year!
